

Lunchtime French Club

- *Allez-vous en France pendant les vacances?*

Whether you are planning a holiday in France, or would like your child to learn another language, lunchtime French Club runs in the autumn term for 12 weeks starting in the w/c 11 September, as follows :

For Years 3 - 6 : Thursdays, 12.15 – 12.45, in the demontable classroom.

In French Club there is an emphasis on **spoken French**, with children learning useful words and phrases through games, songs, and by speaking and listening to each other. French Club develops confidence in French, an interest in France and French culture, and is for children with no prior knowledge of the language, together with returning children.

The fee is £60.00 for 12 lessons, starting on Thursday, 14 September.

A book which covers the whole French course for this school year is available at an additional cost per book of £7.00. The unique “cahier” backs up the French covered each week and makes it easy for parents to see exactly what their child is learning, with each page corresponding to one lesson in French Club. The book is designed for home use only, as we concentrate in the club on speaking and listening. There are 6 different books in total. If your child did French Club last year, you can buy the next book in the series this term.

To enrol, please send me an email, giving your child’s name, class and any allergy/educational/medical information. I will then provide you with bank details. Places are allocated on a first come, first served basis.
