School Milk Scheme

Dear Parent/Guardian,

Our school provides a milk scheme that is available to all of our pupils and we would like to invite you to register your child. School milk is free for under-5s, and for over-5s it is available at a subsidised cost*.

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. For more information on how milk can benefit children visit www.coolmilk.com/why-milk-is-great.

How to register

If your child is under five:

- Register online at www.coolmilk.com or complete a registration form available from the school office
- Register by a Tuesday at 5pm for your child's free milk to start the following week
- Free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request four weeks before their birthday - if you wish your child to continue to receive school milk, simply make a payment

If your child is five or older:

- Register and pay online at www.coolmilk.com
- Alternatively, fill in a registration form available from the school office – once Cool Milk has processed your form, you will receive a payment request
- You can pay Cool Milk either online, over the phone or at a local PayPoint in half-termly, termly or annual instalments.

Kind regards,

Head teacher
