Behaviour

We aim to achieve a respectful, secure and safe environment where everyone shows consideration, kindness and honesty towards each other.

We use a range of rewards to reinforce the core values of the school and expected behaviours. We acknowledge where children have shown and developed various aspects of our RESPECT code.

This can be in the form of:

- Verbal praise and feedback;
- Talk with parents/carers at the end of the day about positive behaviour and engagement with learning;
- Individual rewards e.g. stickers/postcards home;
- House points;
- Awarding certificates that promote the positive behaviour demonstrated.

We prioritise the explicit teaching of expected and unexpected behaviours and relate this back to our RESPECT code.

Behaviour

R

Respect everyone.

Know we are all God's children.

Keep hands and feet to ourselves.
Speak politely to everyone; show good manners through words and actions.

E

Encourage each other.

Follow Jesus' example – love one another.

Give praise.
Give genuine feedback to help other pupils' learning improve.

S

Speak truthfully.

Be ready to say sorry and show forgiveness.

We are honest.
We say/recognise what we have done and admit when we have done something wrong and apologise for this. We are honest about our choices.

P

Practise, persevere and make progress.

Make time to pray – knowing God is with us.

We try again and again to improve our skills.
We do not give up.
We use our purple polishing pens with pride.

E

Embrace mistakes.

Know we are loved by God.

We learn from our errors.
We look at mistakes as a way of moving our learning forward.

C

Consider our choices.

Christ at the centre.

We think before we act.
We know we always have a choice.
We can say "no".

T

Thrive together as a team.

Trust in God.

We work together.
We help each other and celebrate achievements of other children as well as our own.

Each half term, we focus on one of our Learning to Learn characters and Head Teacher certificates are awarded.

Behaviour

We support children in helping them to understand that all actions/choices have consequences, both positive and negative. We encourage children to consider their choices and take responsibility for the consequences of these choices. We support children to reflect on the impact of unexpected behaviours on their own and others' wellbeing.

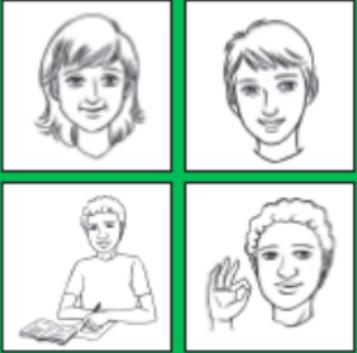

We encourage children to focus their attention, to be 'active listeners' and to develop the capacity to make 'good choices' through noticing and praising positive behaviours.

In order to be able to challenge themselves and carry out tasks independently, children must be able to regulate their behaviour in the classroom.

We refer to the 'Zones of Regulation' to help pupils to think about their behaviour and how it impacts others.
