Dear Elizabeth

I was delighted to read the report following your recent Denominational Inspection. It was delightful to read the positive comments made about the school and to see that St Agatha's is an outstanding provider of Catholic Education.

The inspection report identifies so many features of the work at the school that enable the children entrusted to you to flourish. The contribution of the children involved in the GIFT Team sounds very interesting. I look forward to hearing more about how they help develop the Catholic Life of the school.

Your Religious Education Leader is to be congratulated for the work in promoting a high quality of teaching and learning. Your teachers are clearly using a variety of learning strategies to make learning engaging and to help the children to think deeply about matters of faith.

All schools have areas for improvement and the inspection team have provided some specific recommendations for the school. I am confident that your team will be able to build on those ensure that the children will thrive.

Please pass on my thanks to staff and governors for all that they do for the pupils at St Agatha's Catholic Primary School.

Yours sincerely

Dr Simon Hughes
Director of Education
