AUTUMN TERM 2026 NEWSLETTER

Rockstars and Robot Day

We are excited to announce that we are organising a Robots and Rockstar Day on Friday 18th September to relaunch Numbots for EYFS and KS1 and Times Table Rockstars for KS2.

All children in Nursery, Reception, Year 1 and 2 are invited to come into school in an appropriate robot costume. Children in Year 3, 4, 5 and 6 are invited to come into school in an appropriate rock star costume for the day, such as jeans and t-shirts. The children will take part in number bonds or times table games with their class. Children in the Early Years will play interactive whiteboard games in class. At the end of the day, there will be a whole school assembly to celebrate the successes in each class.

Please encourage your child to log onto their Numbots and Times Table Rock Star accounts regularly to practise and build fluency of their number bonds and times tables.

Here is a link to the website:

Thank you for your support.

Welcome to St Agatha's

We hope that you have all enjoyed a safe and relaxing summer break. We extend a very warm welcome to the new families joining our school this year. We look forward to making you feel part of our school community.

Staffing News

Welcome to Ms Campbell our new Year 3 teacher.

After 18 years teaching across all year groups and specialising in music, Mrs Rodgers has left St Agatha's school. We thank her for all she has contributed and wish her well for her future.

Attendance

Parents will soon see the return of the attendance league table which will be emailed out every Tuesday from now on. The much-coveted attendance trophy will then be awarded to the class with the highest attendance.

By way of a reminder, the school's attendance target is set at 96.9% and it is one of our priorities to reach or even surpass this level throughout the school year.

School Clubs

The new clubs programme for Autumn Term 2026 is live and available to view via the school website – [St Agatha's Catholic Primary School - School Clubs](#)

New clubs include **Cheerleading and Ultimate Games!** Places can fill up quickly so please do take a look and secure any clubs your child may wish to attend.

Birthday Treats

Although there is absolutely no expectation that parents provide birthday treats for their child's class, we know that some parents like to do this and we respect their wishes. If this is the case, we ask that any treats are small, nut-free, individually wrapped, shop bought (not home-made) and are inexpensive.

PE Days Autumn Term

Please check for your child's PE Days for the Autumn term on our website:

[PE Days - Autumn Term](#)

Social Media

We hope you have been enjoying our social media posts. Please follow us for latest news and a snapshot of what is happening in school and more. Thank you for your support in sharing with family and friends.

Visit [Instagram](#) and [Facebook](#)

Nut Free Zone

Please be reminded that St Agatha's School is a **completely nut-free zone**. Under no circumstances should any packed lunches or snacks be brought into school which contain nuts of any kind. This includes snacks eaten in the playground at pick up time.

Mid-morning Snack: Children in Nursery, Reception, Year 1 and Year 2 are provided with a piece of fruit each day, as part of the government School Fruit & Vegetable Scheme.

Children in KS2 should bring an appropriate snack to eat during their morning breaktime.

Cake Sale Information

When bringing in home made cakes for the class cake sales please may we request that you provide an ingredients list. Thank you for your support in providing this information to support the new rules regarding food allergies.

Dear Parents/Carers,

Thank you to everyone here at St Agatha's for making me feel so welcome during my first three weeks and I am looking forward to getting to know everyone better in the coming weeks and months.

Thank you also for working with me to ensure that children's school uniforms look neat and tidy.

We want to make sure every family receives key dates, event updates and important announcements on time. To help us to keep you fully informed, please ensure your contact details (email address and phone number) are up to date with the school office, including at least one emergency contact.

While our Class Representatives play a fantastic role in building our school community and maintaining a vital link between home and school, it is not their responsibility to pass along or remind parents about every school event and routine notification.

To ensure you never miss an update, all official dates, reminders and school news will be shared directly by the school via email and our official channels.

If you need to update your email address or phone number, please email or contact the school office directly.

Thank you for your continued support and cooperation.
